I have a 10 acres farm. Looking for someone who could provide occasional help.
I'd prefer to have someone local so that it would not be hard to get to the property.
I need some brush clearing, cultivating soil, mild upkeep.
If you have any specific skills like construction or fencing, or have own tools, that's a big plus, but not required.
looking for some affordable help, please let me know your best price per hour. I'll be.
