Does your photographer shoot nice snapshots-- or create eye-catching, memorable images like these? My specialty is portraiture-- headshots, models' portfolios, family portraits and movie production stills. I have shot authors, models, business professionals, countless families and provided photography services for feature films like "Hayride", "The Red Suit" and 80's-style horror film, "Carver". Website: www.nickbelialphotography.com IMDb: www.imdb.com/name/nm6016248/ For the discerning client who expects the exceptional... Contact Nick Belial Photography
