

Paying Cash for Gift cards 50 (80 USD)

Location **Rhode Island**

I'm buying gift cards or used gift cards with any balance on them. I'm paying at least 50% of the value of the card but willing to pay up to 80% if I could really use the gift card. If interested feel free to send me an e mail with what you have or call/text We could help each other out, I have cash on hand and of course we'll always meet in a public place for the sale for both our safety. Thanks for looking. . .
