

# ACTORSCOMEDIANS NEEDED (Milwaukee)

Location

Wisconsin

<https://www.genclassifieds.com/x-445031-z>

Experienced comedy writer looking for local actors/comedians/funny people to work with on some filmed projects:

- Funny or Die sketches
- web series
- sitcom pilot episode

All ages welcome. Experience (helps but is) not necessary. Positive attitude, however, is mandatory.

I'm hoping to put together a stable of funny and talented people to help bring some ideas to life.

I can't pay anything, but I promise a fun time will be had by all and that whatever we make together will be seen by and promoted to the entertainment industry in Los Angeles. (I lived there 15 of the last 20 years and am lucky enough to have lots of business connections/friends/etc.)

Anything can happen if you have the guts to put yourself out there. I do. Do you?

IF YOU'RE INTERESTED, SEND ME AN EMAIL!

Thank you,

Ron
