Looking for low cost dental work, I need some things done. I'm currently in the process of fighting a claim with my old dentist who had me prepay for a partial filling and a root canal, then his building mysteriously burned down and he moved out of state, taking my \$\$\$. Now I'm without dental insurance for another 9 months because of my new job, so I'm looking for low cost or free dental work -- may also be able to barter for.
