

Need help with chemistry Math (Carrollton)

Location

Texas

<https://www.genclassifieds.com/x-445054-z>

Hello,

Thank you for taking time to read my ads.

I'm currently a college student with 4.0 GPA (can provide transcript).

I can help tutoring high school student with their math and chemistry. As well as any college student in their first and second year.

Also I'm also opened for practicing speaking English as well for those whose English is their second language.

I am open for 30-50\$ an hour.
