Well I'm sad to say, we are missing one of our VERY WELL loved ferrets. We believe he got outside last night when my boyfriend went out for a cigarette. I didn't realize he had the door open...

Our daughter keeps asking for her opie is and it breaks my heart to tell her that I don't know where he is...

We live on barre street.

Please, if you've seen him or if you brought him inside, please let me know.

We miss him.
