

The Raven APV

Location **Wyoming**
<https://www.genclassifieds.com/x-445195-z>

Ranchers, contractors, municipalities, fun seekers, take a look at the 2015 Raven APV. Available in red, black or camo. Simple, with no belts! The generator provides power to electric wheel drive and deck spindle motors. Travel up to 16 MPH on gas or silently on electric! Use it building fence or ranch improvements. Mow the grass! Take it camping for kid-fun or campsite power. In the garage have backup house power for outages. Are you getting the picture here? See more about it at The Water Shed in Fort Collins or online at: <http://thewatershedinc.com/> . Register to win a complete Core Gasless Yard Care System. A \$1000 value to be give away the Friday before Father's Day!
