"FLOCKING" someone's home with Pink Flamingos is the latest new prank that will most definitely bring smiles to the Flockee and his/her neighbors. We will provide you with 50 birds for 50 hours at a low rental rate of \$75. A yard sign that you can personalize is included with the rental. We require FULL PAYMENT upon delivery AND we pick up the birds and yard sign at NO CHARGE to you, however, a fuel surcharge (\$25) may be added if outside of service area. We do not set up the birds. However, should you want us to set out and remove the flock, the cost is an additional \$40. To bring that warm island feel to your next party, add live steel drum music with your flamingo rental. We specialize in pop, calypso, reggae, and soca music. Call for a quote on adding island music to your event. This combination is a hit on birthdays, anniversaries, graduations, job promotions, pool parties, luau parties, family reunions, retirement parties, Bar Mitzvah & Bat Mitzvahs, confirmation and first communions, garden weddings and/or wedding receptions, and other special events. Surprise a family member, friend, co-worker, or neighbor with a flock of pink flamingos and/or island music. Our flamingos will make your event "PRETTY IN PINK"!! Call or text Don's Flamingo Farm at
