Don't trust your home or business security to unlicensed, unqualified installers. At Surveillance Made Affordable, our licensed, highly skilled technicians will install your state of the art surveillance system and thoroughly explain how to use your new system.

Our current special is a 4 channel, 1TB, 1080P high definition DVR with 4 720P high definition cameras and installation for only \$1200! This system offers superb image quality and remote viewing and playback from anywhere in the world. 8 camera high definition systems are only \$1500 installed! Entry-level complete systems starting at \$700 installed.

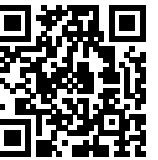

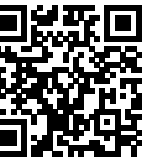

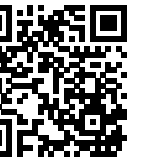

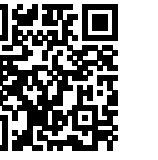

We use only commercial-grade equipment, not cheap Zmodo, Q-See, Swann, or Lorex brands and back our products and installation by a full 2 year warranty!

Call us for pricing on installing your purchased system.  
Service calls, including setup and explanation of smart phone and tablet remote viewing, starting at \$75!

We also service and upgrade existing systems.

Visit us at WWW.SMATEXAS.COM or call us at for more details or to setup an appointment today!
