Howdy,

Is your refrigerator acting up? That's odd, because most refrigerators have not been to acting school. But not to worry just give me a call or text and I'll trot on out to your place and teach it how to act!

Written warranty, licensed, insured, you know, all the good stuff... call for more info and areas I serve.

Try to have a good day,  
Jack  
Super Duper Refrigerator Technician  
(That's my official title.!)
