This is a 12 month lease. Available June 1. We may be able to extend the lease on a month-to-month basis for a couple months at the end. House will be demo'd at the end of the rental period, which is why there is no damage deposit. Big Daylight basement which contains 1 car garage. Tons of storage. Bring your motorcycles, drive 'em into the garage and work on em'. The truth is this place is a total dump, but it's big and it's kind of industrial (near Les Schwab) and you can probably turn the stereo up to 11. At least on weekends. It's got a washer and dryer.
