I need roofers to help me roof a house in the St. Andrews area. I'm needing help to tear off and put back about forty squares of shingles the house is on a seven pitch walkable.

I am looking for about two or three roofers that can lay at least two square an hour and a laborer. Own transportation is a plus, but if you're in the Gaston or Swansea area I may be able to give you a ride to and from the job. Must have your own tools. I'm easy to get along with and work with. E mail me with a contact number and I will respond. No Mexicans.

START TOMORROW!!!
