I am a 45 yr old man living in Wilmington, VT and I am interested in trading renovations or repairs for all or part of monthly rent. I have over 30 yrs of experience in several different trades including carpentry, plumbing, electrical, HVAC, excavation, driveway repair and landscaping. If you have a house/condo/apartment within 30 min or so of Wilmington, that is in need of repairs or renovation, and you want to save a bundle on the cost of the work, I am your man. I am a skilled craftsman and a non-smoker and I will treat your home as if it were my own. I have included a few pictures showing the before and after of a bathroom renovation I did recently. I have references available upon request and I can be reached any time at

(ask for Carl). I look forward to talking with.
