Night childcare (Irmo)

Location **South Carolina**
https://www.genclassifieds.com/x-445519-z

In search of a responsible person to keep my child at night. Sometimes hours start at 4 and sometimes at 5. My son is 3. Very well behaved and respectful! But of course has energy like a boy! This could be my house or yours! Also, starting in June it will be every other week.
Need someone ASAP so please shoot me an email and I'll get right back to you.
References required.
