Giving away a five-year-old Siamese cat for free.

I'm giving my cat away due to the now I have two jobs instead of one and he no longer gets the attention he requires or deserves. I'm looking for a good home to place him in, there is no rehoming fee, he is neutered, he was declawed by his previous owner, great with animals to include kittens and puppies, and he's very low maintenance and mild tempered. He is strictly indoor due to being declawed when he was.
