I have a once in a lifetime deal to offer to the 1st person that wants to make this deal. I have a national blues act that has a layover in the Caroline's on Monday June 1st and will play for your gathering/party/event at a very reduced cost. This show would normally cost you 1000s but this night only, they will play for 1400.00 cash plus food and drinks. We will even include concert sound. This is a once in a lifetime deal. Like I said, this is for Monday June 1st only! Respond with a phone number if interested. No number gets NO response.
