Location **Utah**  
<https://www.genclassifieds.com/x-445546-z>

Get out of your home and into a part time office! We provide full-time, private suites also.

With a Virtual Office Plus, you get a professional address, dedicated local phone number with receptionist services, and flexible use of an office when you need it.

Boost your productivity with a specific # of days of private office use every month as well as all the benefits of a prestigious business address, professional call handling and available conference room. Very nice business lounge & co-working space.

- Private office access each month
- A dedicated local telephone number answered in your company name
- Full time executive level administrative staff on site
- A prestigious Station Park business address to use on company stationery, business cards & website
- Calls and messages handled with your customized greeting and to your instruction
- Messages passed to you by phone or email
- Mail can be forwarded by 1st class mail or courier, or you can come and collect
- Fully stocked kitchen amenities
- Free Businessworld Gold Card providing discounts on products and services, plus unlimited access to 3000+ business lounges and cafes worldwide; Perfect for when you need to touch down or have informal meetings
