Seeking two delivery drivers (Gillette)

I am seeking two part-time delivery drivers for furniture, appliance & electronics deliveries in Gillette and the surrounding area. Depending on business and work ethic this could become a full-time position. You must have a valid drivers license with a clean history and be at least 18 years old. If you are interested in the position, e-mail () your work history or stop into the store to fill out an application. Please no phone calls. If this posting is still up, I am still looking for help.

We are located at Appliance & Furniture Rentall, next to Applebee's & At&t here in.
