## **Meet Hershey (9 USD)**

Location **Wisconsin** https://www.genclassifieds.com/x-445653-z

Hershey is a sweet little girl who was abandoned in Indiana with her two sisters. These girls needed a LOT of baths and some serious tick-removal to get them clean and happy, but they are feeling much better now and are ready for their forever homes. Hershey got her name because she is FULL of kisses! Apply today at www.midwestARRC.org!
