Please Help support the Chowaniec Family. Jill Chowaniec was in terrible pain and has been taken off dialysis and her body is starting to shutdown. The family is struggling financially to make ends meet with the planning of her funeral. She has no life insurance, and has been struggling with health issues related to diabetes for many years. She has now been put on DNR and has been given 2 to 3 days to live. My friends and I are reaching out to anybody that can help in any little bit they can. We need to raise \$2640.36 to pay for cremation for Jill. She is spending her last days at Angel of Grace Hospice to go peacefully. Jill is a really nice woman and friend that helped out anyone she could. She has worked hard like many of us her entire life. All I could personally donate was \$100.00

Please show your kind expressions of sympathy with a donation to the Chowaniec Family for Jill. Thank You.

UPDATE 5/19/2015, Jill passed away peacefully earlier this:(
