Little Gems Academy is a state licensed, group child care facility. Little Gems Academy provides the highest quality childcare focusing on each child's need and desires. We facilitate this by concentrating on the five major areas of development: Physical, Cognitive, Language, Social and Emotional. Little Gems believes that these areas of development are best enhanced through play. In order for each child to excel at his/her own pace, the early childhood specialists at Little Gems use observation, record keeping, daily parental communication and a developmentally appropriate curriculum for each age and stage of child.

We are currently enrolling for ages 4 weeks to 12 years
 We are open Monday through Friday 6 am to 6 pm
 We offer full time, part time, and before and after school care

We are located in the Franklin Business Park. Feel free to call or stop in for a tour and more information.
