Meet Lawrence (aka Larry Byrd)

Location **Wisconsin** https://www.genclassifieds.com/x-445669-z

Lawrence is a BALL fiend! He's a young guy who is all legs and leaps and bounds. Needs some leash manners, but will sit for a cookie, lie down, and charge through the yard full speed. Would do best in an active family that enjoys exercising, hiking, and training. He's a lover, so he'll wash your face with kisses. Because of his high energy, he may be too active for younger kids.
