I am a Visiting Nurse Aide who has one client in South Royalton from 5am to 8am Monday through Friday. My vision is not good enough for me to drive anymore.

My husband can drop me off at 5am but I need a ride to Randolph from South Royalton at 8am to finish the rest of my clients.

I am looking for someone who already commutes as all I can afford is \$5.00/day towards gas and mileage.

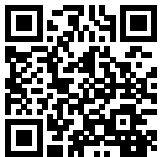

If I cannot find a ride then this client will not have an aide when he needs one and I loose pay so you would be helping TWO disabled people with one ride daily.

Thank you, in advance, for your.
