

Grenwing Macaw

Location **Tennessee**
<https://www.genclassifieds.com/x-445739-z>

I have a Greenwing Macaw who talks, she says hello, hi, goodbye, step up, gives kisses and she quakes like a duck. She is around 12 years old if that. Please do your research on this bird. They are a lot to learn and they need a lot of your time to be happy. She will come with her cage. Asking \$1500OBO price is.
