I am looking for someone who can trim a p.b pigs hooves. She is my "baby" but is a very big girl and I can't possibly get her to a vet and can't find one to come to my house to trim them. They have gotten very long and i'm afraid this will damage her ankles and legs or make her fall. I am willing to pay for your help. Please give me a call. If I don't answer I will see your # and will return your call shortly. Thanks so much!
