

# Kittens (Westmoreland)

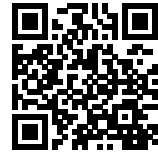

Location **Tennessee**  
<https://www.genclassifieds.com/x-445746-z>

I have 1 orange male kitten, 1 orange female kitten, one black male kitten. If you're interested please text me or email me. These kittens are very friendly and healthy and are completely weaned and using the litter box already. And they ALL have ice blue eyes. There is no rehoming fee but, these kittens need to go to good loving homes.

(NOTE:) I may possibly have another black male kitten (fluffy) as well as a black female calico if the other people wanting kittens fall through.

I can meet in Westmoreland, Lafayette, Bethpage, Gallatin and the dollar general in oak.
