Industry Level Singing Instruction:
Rick Norris one of the premiere Vocal Instructors/Coaches in both the CCM and secular music genres has returned to training vocalists in the Nashville area.
Rick has also been in Career Artist Grooming teaching people to sing or improve from where they are in their singing careers and aspirations for over 30 yrs. Also as a Recording Artist and Producer, he has many highlights to credit in both professional arenas.
Teaching and coaching at all levels and ages i.e. from beginners to Hall of Famers, with students obtaining everything from recording contacts and #1 Hit singles to #1 Best Selling Albums, Rick's forte as an Instructor is Stylization i.e. (Modern Vocal Techniques).
Whether addressing the issues facing a Solo-Artist, Front-Person, Worship Leader, Songwriter as well as publishing issues, stage-presence, acting or even the pit-falls and trials that accompany a person's walk in the music/entertainment industry, Rick is and has been the ultimate Music Industry Mentor for artists for decades. A detailed Career Highlights Bio. is available upon request. For more info. and/or scheduling, call, txt or CL reply.
