Does your organization need to raise funds for special purposes? Are you planning to hold a fund-raiser in the near future? Then you should consider having an Avon Fund-Raiser. As an Avon Independent Sales Representative in the area, I am currently offering organizations such as yours the opportunity to raise funds by selling Avon products.

Avon has been successfully involved in fund-raisers all over the country. Its reputation for top-quality products opens doors and makes selling simple. Skin So Soft and Bubble Delight Bubble Bath are just a few of America's favorite products, and unlike gift wrap or candy bars, they are products the whole family needs.

With an Avon Fund-Raiser:

Ã¢â¬Ã¢ There's minimal paperwork to complete.

Ã¢â¬Ã¢ No need to buy merchandise up front.

Ã¢â¬Ã¢ No door-to-door selling. Participants can sell exclusively to families,

neighbors and friends, and still produce a profitable fund-raiser.

Ã¢â¬Ã¢ The average Customer order is more than \$15.

Ã¢â¬Ã¢ All products are backed by Avon's satisfaction guarantee.
