We are a retailer for Dish, Directv, Centurylink, and Vivint Security. We've been in business for over six years, and are looking to work with experienced salespeople who are looking for a fresh start. Our pay is competitive, and we will not jerk you around. This industry is tough, and finding loyal, ethical folks is the most difficult part. We take care of our sub-contracted sales force and technicians. We rarely hire new salespeople, because we have a good group of people who trust one another, and haven't seen the need to expand until recently. We brought on a new product line (Vivint), and are in need of a few self starters to help get the ball rolling. If you have experience with Dish and/or Directv we want to hear from you, and if you have sold Vivint please call today!

Thank you,
Steve
