Born October 3rd, 2013. I've had her since she was born. She's spayed, UTD on shots and microchipped. The only problem is she needs to be an only dog or with 1 other dog max. She's very timid and shy, but extremely affectionate. She was supposed to be a service dog for my husband but unfortunately doesn't have the right personality. So we will be very selective on who she goes home with. There is a rehoming fee to ensure she finds the perfect forever home. She's a beautiful brindle and on the smaller side. But she is full English Mastiff. Feel free to contact me with any questions.
