

New publication looking for aspiring writers of any age or genetic makeup who like:

- This is not a paid position. There is no pressure and there are no deadlines. It is an opportunity to have fun and flourish as a writer while growing with a network of people who enjoy giving back to the community.

As a writer / journalist for us you will have the leisure of working from home or wherever you want to explore. Publishing and exposure will be determined by the writing you produce (mainly by how interesting the content is), you will have access to an editor so don't fret the final piece.

If you would like to write for this publication, please send an email including the following information:
