I am looking to care for your newborn/infant (up to 1 year of age) in my home. I am a grandmother of 5 and have 2 daughters. Assisted 8 women as their Douala was one of the most exciting thing I have done. My experience consist of: working as a Para-pro for children from the age of 2 to high school, Sunday School teacher, Youth Leader, and have baby sat since I was 10 years.
