

Painting is what I do (Columbus, GA)

Location **Alabama**
<https://www.genclassifieds.com/x-445991-z>

Hello my name is Jason. I am a painter. Interior and / or exterior. I also do minor wood repair. That means any work needed before the job begins will be completed by me.

I am willing to work for an individual or company. I have worked all over Columbus and have had nothing but satisfied customers.

Please give me a call or text.

Thank you,
