We are a men's basketball group. About a third of the guys played in college, the rest were at least solid high school players. Please contact me only if you're at that level.

We play Saturday morning and Sunday evening every week at a gym we rent in Buckhead. I only invite 15 guys per day, so you never have to sit long. No one is allowed to argue or play selfishly, so it's always a great run. Everyone pays \$7 to cover the cost of renting the gym.

Please email me if you're interested, I'm always looking for a good new addition to the group.
