

Help for single motherdomestic violence survivor (dalton)

Location

Georgia<https://www.genclassifieds.com/x-446026-z>

Hello Everyone!!! I have created a go fund me page for friend and her daughter. She has recently escaped an abusive relationship and as a single mother she would love to give her 3 year old daughter her dream vacation for a fresh start. Below is more of her story and any donations would greatly be appreciated. God bless and thanks so much in advance!!!
