Are you tired of smelly and dirty carpets? Vacuuming and store bought cleaners often do not work it equals to throwing your money away. And sometimes they actually make a problem worse, now you might have permanently damaged carpets. Instead of throwing your money away on chemicals and doing the back breaking work yourself, and then making a chiropractor appointment,we recommend you call us. We provide effective cleaning for your carpets and sofas. With our cleaning you will see that the fibers become cleaner than you ever imagined. CALL 1-650-92I-9843

Our cleaning agents are safe for your carpet fabrics, children, pets and the environment. They are non toxic green and organic. CALL 1-650-92I-9843
