Well qualified multi-property owner (Carmel, Carmel Highlands, San Diego, Seattle) and married daughter seek to relocate from Seattle, as it is too cold after living in San Diego for 30 plus years. Husband has local business clients and we seek a home with some room for storage of materials to accommodate clients in Scotts Valley and Carmel. Letters of references as to financial reliability and property maintenance provided from former local property management. Ample kitchen desired, one bat tub, privacy and views a plus. Would also consider property with separate Section 8 unit for disabled family member, but not necessary. Prefer maintained roads, closer to highway 17 than south county, no smoking no pets, prefer no.
