Hi from Recycled Critter Rescue!

We are a small, all volunteer cat rescue group and most of our cats are rescued from Adams County Animal Shelter by a network of dedicated volunteer foster families. We can help you make a good match for your home! We know the personalities of all the cats we foster and have 20 years of experience in placement to ensure a good fit and lifelong home.

## "JEMIMA" = ADORABLE!! ADOPTION PENDING!!!

Petite, all black, medium hair, Persian Mix Girl. Very Sweet, Very Gentle & Very Mellow!! She likes cuddle time in bed & curling up in a lap for TV time. "Jemima" likes sitting in her large toy box watching her toys & scooting them around & especially likes a laser toy or long shoe string moving slowly - Gentle Play Time. She needs a CALM, QUIET home!! She uses her litter box & scratching pad (included) faithfully. She's about 8 years old, Spayed, Vaccinated, Blood Tested Negative, NOT DECLAWED!! (Originally owner surrendered at Adams County Shelter & went to another foster home before coming here).
