Dear Parents!

We are three professional experienced (25years +) teachers inviting you to visit us at this time, and, yes, we have rare openings because kids and parents love us, and stay with us for a long time!

About me - I have worked in Gateway Academy, Children's World and La Petite Academy as a lead teacher, and while I was offered a supervisor position I decided to do my own in-home childcare. I always wanted to work in a cozy and not over-crowded environment where I could provide more individual attention for the children and see their growth. My believe is that kids can use a lot more of their potential in the home environment where they feel loved and nurtured. Everyone of them has a talent! That is my firm believe!

We are Licensed Yoga Preschool/ Large Home Childcare in Aurora/ Arapahoe county, Tower and Orchard, 80016 providing childcare since 2001. We have all trainings like CPR, First Aid, etc. and credentials to work with your children. Our house is located in in a cul-de-sac next to the community park, it is a nice and a safe place to have your child in.

We offer GREAT preschool curriculum, structured curriculum as well as exploration activities. Our kids/graduates go to the BEST SCHOOLS and advanced classes in literature and math!

Also we provide NATURAL and even ORGANIC food and we love to cook ! - not dry, microwaved or junk food!

MUSIC - we have all kids participate in 3 concerts during the year and YOGA CLASS - twice a week with a teacher charged for 10 years and long time in the exercise field. Ages 2-5 years old.

Our house may not be the brightest but it is not a darkened basement.

We also have a yoga teacher that we use twice a week and once a month for more bills. Sorry.

Number One for us!

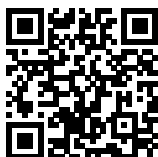

Musical instruments are available for the kids to participate in our music program. We are musicians.

Teachers after all, as well as large fenced backyard with plenty of toys and age appropriate equipment.

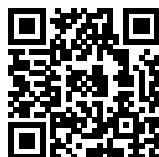

At this time we have 1 preschool spot for children 2 - 5 years old.

Your child does not have to be potty trained to enter our program, we do potty training for our "Cuddle Buddies".
