"IF YOU CAN'T FIX IT WITH A HAMMER, YOU'VE GOT AN ELECTRICAL PROBLEM"
WRITTEN BY A 21 YEAR OLD FEMALE. Wow, this girl has a great plan!
Love the last thing she would do the best.

This was written by a 21 yr. old female who gets it. It's her future she's worried about and this is how she feels about the social welfare big government state that she's being forced to live in! These solutions are just common sense in her opinion.

This was in the Waco Tribune Herald - Waco , TX

PUT ME IN CHARGE . . .

Put me in charge of food stamps. I'd get rid of Lone Star cards; no cash for Ding Dongs or Ho Ho's, just money for 50-pound bags of rice and beans, blocks of cheese and all the powdered milk you can haul away. If you want steak and frozen pizza, then get a job.

Put me in charge of Medicaid. The first thing I'd do is to get women Norplant birth control implants or tubal ligations. Then, we'll test recipients for drugs, alcohol, and nicotine. If you want to reproduce or use drugs, alcohol, or smoke, then get a job. There's nothing the matter with a vasectomy for all of the volunteer fathers who don't support their children!!

Charge double for rent housing. Live in a room with no frills? No. You'll maintain our roads and good state repair. You'll be sure to be inspected and posted. You'll be worried. You'll be a plasma donor. You'll get a job and you'll own a place.

In addition, you will either present a check stub from a job each week or you will report to a "government" job. It may be cleaning the highways of trash, painting and repairing public housing, whatever you find for you. We will sell your 22-inch rims and low profile tires and your blasting stereo and speakers and put that money toward the "common good."

Before you write that I've violated someone's rights, realize that all of the above is voluntary. If you want or money, accept our rules. Before you say that this would be "demanding" and ruin their "self-esteem,"

consider that it wasn't that long ago that taking someone else's money for doing absolutely nothing was demeaning and lowered self-esteem.

If we are expected to pay for other people's mistakes we should at least attempt to make them learn from their bad choices.

The current system rewards them for continuing to make bad choices.

Love this one.

AND while you are on Gov't subsistence, you no can longer VOTE! Yes, that is correct. For you to vote would be a conflict of interest. You will voluntarily remove yourself from voting while you are receiving a Gov't welfare check.

If you want to vote, then get a job.
