This is for someone needing room & board, plus a salary. You will have a large bedroom, plus a negotiable salary in very quiet newer neighborhood in exchange for your services. Your duties will include domestic duties (cleaning, some cooking, ironing, etc. and hopefully you like to exercise), and helping with a Gemstone Jewelry Business (no experience necessary, we will train you). You must be able to travel with us on some weekends, with all expenses (transportation/hotels/meals) paid and provided. This is a real ad and job, no liars or scammers please. It would be a good opportunity for someone to relocate if you wanted to or needed.
