

# Lost Calico kitty (near Walmart, Rogers)

Location **Arkansas**  
<https://www.genclassifieds.com/x-446329-z>

"Cali" is a 1 year old female with beautiful markings and colors of gray, black, brown with a white chest and white socks. One ear is brown. She rescued me last fall in my driveway and magically we were attached. She is now spayed, chipped, and shots up-to-date.  
Please, please help us find her. Reward for her.
