Hello! My name is Toma, 21 and I have been speaking Russian and Ukrainian all my life and started learning Italian two years ago.

I've been teaching Russian for quite sometime and I very much enjoy it.

I charge only \$10 per hour for lesson. If you live too far, I'll be happy to teach you by Skype.

If you want we can learn French or Spanish together.

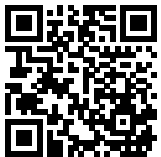

E-mail me for further information.

Thank you!
