Go to vrbo.com/74758 for availability calendar

Our home is a private mountain respite, nestled at the foot of the Arapahoe National Forest adjacent to Vasquez Creek. The restaurants, shops, and nightlife of the Town of Winter Park are only a short walk away. The free ski shuttle runs every 30 minutes during the ski season and stops right in front of our home.

Convenience and comfort are all yours. Our 1300 square foot home is professionally cleaned and features three bedrooms, including loft, and three full bathrooms. Eight can be comfortably accommodated.

Down comforters top the beds, and you have a choice of percale or flannel sheets. The Master Bedroom includes a king bed, a private door to the deck, a TV, and a private full bathroom. Bedroom #2 includes a queen bed and an adjacent full bathroom. Both beds have comfortable, pillowtop mattresses. The spiral staircase leads to the loft where there are two twin beds and a private full bathroom. There is a brand new and comfortable queen sleeper sofa in the family room with cozy flannel sheets and a fluffy, warm down comforter. All bathrooms include hair dryers and thick, oversized towels.
