Selling my 2001 kawasaki kx250 2 stroke dirt bike. Bike has been almost completely redone. Top end was rebuilt by a shop when the previous owner had it. Just installed brand new GPI racing radiators. New decal kit new front brake lever new rear fender and new pro taper hand grips. The bike is 100% and ready to hop on and ride. The bike rips if it wasn't so powerful I would be keeping it. Price is \$1900. Will consider trading for quad nothing else. Let me know what you have. Call or text me at 203 520 7088 if I don't answer please leave me a message.
