

2003 Isuzu Rodeo (1500 USD)

Location **Washington**

For sale is my 2003 Isuzu Rodeo 4x4.
Vehicle is not running, the timing belt broke a month ago and the engine needs to be replaced.
Outside of that the vehicle is in really good condition.
New tires, new brake pads, rear drums.
Super clean interior, remote start, CD player sound system.
Vehicle passed inspection less than 3 months ago so everything else is up and in running order.
I repeat... this vehicle needs a replacement engine! I was going to do it myself but decided to go another route.
Price is \$1500 OBO. Clean title in hand and ready to go.
When purchased will need to be towed.
