Hello all! I have a 1 year and 7 month old Calico cat. I recently adopted her from the animal shelter, but quickly realized that I am not at all a cat person. Her name is Piper, and she is super playful and cute. She has great house manners. Piper catches on to rules very fast. I did not allow her on certain furnitures, which she learned within a day which were off-limits. Piper is very quiet and rarely meows or makes any noise. She is also already litterbox trained. Piper is microchipped (with the microchip papers), fixed, and I also have a pet bed, scratching board, food/waterdish, litterbox, food, and litter. I am asking for a 40 dollar rehoming fee to cover some of the financials I covered. Please message me if you want to see her!!
