Hello,

We have a Havanese male (5yr old) available with a small rehoming fee. The dog has been wonderful with our family, unfortunately our new hunting dog does not get along with him. The dog would be best for a home with no larger dogs. These dogs are hypoallergenic, and very loyal to the family. He's a wonderful companion, and certainly a lap dog. He has been well cared for, groomed regularly, and in excellent health. He has not been neutered. To a good home,.
