Hi parents, I am an experienced & very reliable nanny looking forward to babysit for you. I currently babysit a 7 month old for a few hours a week however I still remain free most of the week which is why Im looking to work with the right family. Im capable of doing basic cooking and light house keeping as well, Also fluent in spanish which is a great thing I say if you want your child to learn a second language. I have experience with kids of all ages from new borns to toddlers.. Long term commitment preferable but temporary is fine as well. I am located near Bernal heights but very much willing to travel anywhere being that I own a vehicle, pay rate is negotiable depending on your needs. I can start as soon as possible, just one call away. Guarantee your child/ren will be in great hands! I have great references & more upon your request. If you want to discuss further please feel more than welcome to respond to this ad or u can reach me at

I hope to hear from you soon, Thank!
